FEASTING WITH THE LORD

Happy are the days of a good celebration, when we can forget our worries for a while, enjoy one another's company and laugh and sing, dance and be happy. We are lucky to have such a day now and then, a day of feasting and real joy. That is what God wishes for all of us. He has invited us to happiness without end and as a token of this he invites us, even now, to the feast meal of his Son Jesus All are invited, but not all are here. Some dare not come because they feel we do not welcome them or think they are not good enough. Others are not aware that they are invited. Jesus asks us to welcome all and to make all feel at home with us as he feels at home with them.
